29.11.2025

23:40 - GL postings doubling up in production. Alerted J. Fox (Marchmont) by phone immediately.

23:55 - Tried to restore GL from the backup appliance - backup also found corrupted.

30.11.2025

00:40 - Escalated to Marchmont on-call team.

07:00 - Invoicing and payroll runs halted pending a fix.

14:00 - Marchmont say a patch is ready for testing.

19:30 - Patch applied to test environment, looks OK so far.
