Project Compass - Withdrawal from the Master Services Agreement of 14 May 2024

Dear Sirs,

We act for Zytglogge Praezisionsinstrumente AG. We refer to our client's notice of 3 December 2025 and to the period expiring 17 December 2025 fixed therein for the remedy of the critical defects in the General Ledger module of the System.

Those defects have not been remedied. Our client accordingly declares its withdrawal from the Master Services Agreement dated 14 May 2024 with immediate effect, pursuant to Article 366 and Article 107 paragraph 2 of the Swiss Code of Obligations and Clause 17 of that Agreement.

Our client demands restitution of the GBP 336,000.00 paid under Milestones 1 to 4 within thirty days of this letter. Our client reserves the right to claim further damages for the loss caused by Marchmont Dynamics Ltd's default.

Yours faithfully,

Dr. Lukas Herrmann
